

STRENGTHEN YOUR GROUND ATTACK.

NO MATTER WHAT THE BATTLEFIELD CONDITIONS, WE HAVE YOUR WEAPON OF CHOICE.

Borzall's complete line of drills and reamers will punch holes in whatever the Earth throws at you. Clay? No problem. Caliche? Yawn. Rock? Our tools eat rock for breakfast. The point is, when you work with our wide range of tools, you don't have to worry about what the ground is doing, the ground has to worry about what you're doing. For more information, go to melfredborzall.com or give us a call at 1-800-558-7500 (outside the U.S. 1-805-614-4344) and watch the ground run for cover.
